Note :

- The aforesaid foreign investment limits are displayed in accordance with information as captured by Company in NSDL Issuer Portal and the respective limits as applicable under FEMA.
- Pursuant to Schedule II of the NDI Rules, 2019, with effect from **1st April, 2020**, the **aggregate limit of Foreign Portfolio Investors (FPIs)** shall be the **sectoral caps** applicable to the Indian company
- 'NA' refers to companies which have not provided the foreign investment limits to NSDL. However, Aggregate NRI limit as applicable under Schedule III of Foreign Exchange Management (Non-Debt Instrument) Rules, 2019 have been displayed against such companies.
- "automatic route" means the entry route through which investment by a person resident outside India does not require the prior approval of the Reserve Bank or the Central Government;
- "government route" means the entry route through which investment by a person resident outside India requires prior Government approval and foreign investment received under this route shall be in accordance with the conditions stipulated by the Government in its approval.
- Aggregate foreign portfolio investment up to forty-nine percent of the paid-up capital on a fully diluted basis or the sectoral or statutory cap, whichever is lower, shall not require Government approval or compliance of sectoral conditions as the case may be, if such investment does not result in transfer of ownership and control of the resident Indian company from resident Indian citizens or transfer of ownership or control to persons resident outside India and other investments by a person resident outside India shall be subject to the conditions of Government approval and compliance of sectoral conditions as laid down in these rules.
- "sectoral cap" means the maximum investment including both foreign investment on a repatriation basis by persons resident outside India in equity and debt instruments of a company or the capital of a LLP, as the case may be, and indirect foreign investment, unless provided otherwise. This shall be the composite limit for the Indian investee entity. Sectoral Cap for the sectors or activities specified in the table (refer Schedule I) is the limit indicated against each sector. The total foreign investment shall not exceed the sectoral or statutory cap.
- Aforementioned data is updated till August 31, 2020.
